

SAVE THE DATE!

# International Symposium on Suicidology and Public Health

## September 17<sup>th</sup>-18<sup>th</sup> 2026

Aula magna del Rettorato - Sapienza University of Rome  
Piazzale Aldo Moro, 5

### FIRST ANNOUNCEMENT

Welcome to the XXIII edition of the International Symposium on Suicidology and Public Health, bringing together the scientific community and hosting renowned speakers and international opinion leaders.

More details on the scientific programme and on registration will soon be available on:

[www.prevenireilsuicidio.it](http://www.prevenireilsuicidio.it)

To guarantee the fair distribution of registrations and CME credits, there will initially be a pre-registration, to be confirmed at a later date.

### CALL FOR ABSTRACT

Following the success of previous editions, the Conference will host a poster session. Topics such as suicide prevention and aspects of psychiatry, mental health, and public health, will be considered.

Submit abstracts to:

[prevenireilsuicidio@uniroma1.it](mailto:prevenireilsuicidio@uniroma1.it)

Deadline: **30<sup>th</sup> June 2026**

### ON-SITE EVENT WITH FREE CME

Psychiatrists, neurologists, pediatric neuropsychiatrists, family doctors, pediatricians, psychologists, pharmacists, nurses, professional educators, social workers, speech therapists. Participants can achieve free CME credits. Educational credits for Sapienza students where required.
