

International Symposium on **SUICIDOLOGY** and **PUBLIC HEALTH** September 23rd-24th 2025

Aula Magna
Sapienza - University of Rome
Piazzale Aldo Moro, 5

Welcome to the XXIII edition of the **International Symposium on Suicidology and Public Health**, bringing together the scientific community and hosting renowned speakers and international opinion leaders.

FIRST ANNOUNCEMENT

More details on the scientific programme and on registration will soon be available on:

www.preventireilsuicidio.it

To guarantee the fair distribution of registrations and CME credits, there will initially be a pre-registration, to be confirmed at a later date.

CALL FOR ABSTRACTS

Following the success of previous editions, the Conference will host a poster session. Topics such as suicide prevention and aspects of psychiatry, mental health, and public health, will be considered.

Submit abstracts to:

preventireilsuicidio@uniroma1.it

Deadline: **20th June 2025**

FREE CME AND ONLINE CME CREDITS

Psychiatrists, neurologists, pediatric neuropsychiatrists, family doctors, pediatricians, psychologists, pharmacists, nurses, professional educators, social workers, speech therapists.

Participants can achieve free CME credits.

Educational credits for Sapienza students where required.

CONFERENCE PRESIDENT:
Prof. Maurizio Pompili
